Washington, D.C. 20231

Sir:

Pursuant to the Examiner's suggestion, Applicants have submitted a substitute specification and amending drawings for the above-identified application via hand-delivery on December 23, 1999. The original specification was condensed by deleting text which was substantially duplicative and reorganizing the remaining text into a more logical order. Applicants submit herewith a marked-up copy of the substitute specification in accordance with 37 C.F.R. 1.125(b). This marked-up copy indicates changes made in the original specification.

Applicants attest that the information in the substitute specification is supported fully in the originally filed specification, and that the substitute specification introduces no new matter. Entry is respectfully requested.
